<p>Avvertenze importanti</p> <p>Per assicurare un corretto e duraturo funzionamento del nostro ammortizzatore SABO, vi suggeriamo di osservare le seguenti utili indicazioni :</p> <p>Controllate sempre e con scrupolo, prima dell' "ordinazione" che le dimensioni tutto chiuso/aperto (C - A) dell'ammortizzatore siano sufficientemente uguali a quello da sostituire.</p> <p>Controllate anche che le misure (D₁xL₁ - D₂xL₂) ed il tipo di attacchi siano uguali all' ammortizzatore da sostituire.</p> <p>Non sostituite mai un' ammortizzatore pensando "dovrebbe andare bene", soprattutto su quei veicoli dotati di sospensioni pneumatiche. In caso di dubbio, contattate i nostri uffici vendite che vi consiglieranno tempestivamente la migliore soluzione.</p> <p>Gli ammortizzatori montati in orizzontale sugli assali auto sterzanti, hanno una posizione obbligatoria indicata con la dicitura "ALTO" sul pezzo. Pertanto durante il montaggio dovrete assicurarvi che la parte con la dicitura "ALTO" sia rivolta verso il telaio del veicolo.</p>  <p>Se erroneamente viene montato in maniera diversa l' ammortizzatore non funzionerà correttamente.</p> <p>In caso di rottamazione dovrete attenervi alle norme vigenti riguardo allo smaltimento degli olii esausti.</p> <p>In alcuni casi i nostri ammortizzatori non sono originali ma con essi perfettamente intercambiabili. Pertanto i nominativi ed i riferimenti dei costruttori citati su questo catalogo, sono da ritenersi a titolo puramente indicativo.</p>	<p>Important hints</p> <p>To ensure the proper operation of our SABO shock absorber over time, we recommend that you follow these useful hints:</p> <p>Before fitting the shock absorber, make sure that the dimensions of the replacement shock absorber at full compression and rebound are close enough to the existing one.</p> <p>Check also that the dimensions (D₁xL₁ - D₂xL₂) and the type of connections are compatible with those of the shock absorber to be replaced.</p> <p>Never select your replacement by approximation, especially when it is intended for vehicles equipped with air suspension systems. If in doubt, contact our sales office, who will promptly advise you on the best solution to your problem.</p> <p>Those shock absorbers that are to be installed in a horizontal position to self-steering axles have a predetermined mounting position marked with the wording "ALTO" on one end. Be sure to install the shock absorber with the side "ALTO" facing the vehicle frame.</p>  <p>Improper installation will impair operation.</p> <p>In the event of disposal, follow the environmental protection rules concerning the disposal of used oil.</p> <p>In some cases, our shock absorbers may not be the original type, though full interchangeability is ensured anyway. For this reason, supplier names and reference numbers mentioned in this catalogue are provided by way of indication only.</p>	<p>WICHTIGE HINWEISE</p> <p>Zur Gewährleistung eines ordnungsgemäßen und dauerhaften Betriebs unseres Stoßdämpfers SABO, empfehlen wir Ihnen, folgende nützliche Hinweise zu befolgen:</p> <p>Vor der Bestellung, sorgfältig prüfen, ob die Maße des Stoßdämpfers (Z - A) ganz geschlossen und offen mit den Maßen des zu ersetzenden Stoßdämpfers übereinstimmen.</p> <p>Außerdem prüfen, ob die Maße (D₁xL₁ - D₂xL₂) und die Anschlüsse mit denen des zu ersetzenden Stoßdämpfers übereinstimmen. Nie einen Stoßdämpfer nach dem Motto "so müßte es klappen" ersetzen, vor allem nicht an den Fahrzeugen, die mit pneumatischer Federung versehen sind.</p> <p>Im Zweifelsfall bitten wir Sie, sich an unsere Verkaufsabteilung zu wenden, die Ihnen unverzüglich die beste Lösung empfehlen wird.</p> <p>Die waagrecht an die Lenkachsen montierten Stoßdämpfer haben eine bestimmte Montageposition, die durch die Markierung "ALTO" am Teil selbst angegeben ist. Während der Montage ist deshalb sicherzustellen, dass der mit der Markierung "ALTO" versehene Teil in Richtung des Fahrzeugrahmens montiert wird.</p>  <p>Sollte der Stoßdämpfer falsch montiert werden, funktioniert er nicht ordnungsgemäß.</p> <p>Bei der Verschrottung der Teile müssen die Umweltschutznormen bezüglich der Altölbeseitigung beachtet werden.</p> <p>In manchen Fällen sind unsere Stoßdämpfer keine Originalteile, sind aber mit diesen Stoßdämpfern vollständig austauschbar.</p> <p>Daher sind die in diesem Katalog angegebenen Herstellernamen und -referenzen lediglich rein informativ.</p>	<p>Avertissements importants</p> <p>Pour assurer un fonctionnement correct et durable de notre amortisseur SABO, nous vous conseillons de suivre les indications utiles suivantes :</p> <p>Avant la commande, toujours contrôler scrupuleusement que les dimensions complètement fermé-ouvert (C-A) de l'amortisseur soient identiques à celles de l'amortisseur à remplacer.</p> <p>Contrôler aussi que les tailles (D₁xL₁ - D₂xL₂) ainsi que le type de fixation soient identiques à ceux de l'amortisseur à remplacer.</p> <p>Ne jamais remplacer un amortisseur en pensant "celui-là devrait aller", surtout en cas de véhicules équipés de suspensions pneumatiques. En cas de doute, contacter nos bureaux de vente qui vous indiqueront rapidement la meilleure solution.</p> <p>En ce qui concerne les amortisseurs montés à l'horizontal sur les essieux de direction assistée, leur position, indiqué par le message "ALTO" inscrit sur la pièce, doit être respectée. Par conséquent, durant le montage, vérifier que la partie avec le message "ALTO" soit dirigée vers le châssis du véhicule.</p>  <p>Si, par erreur, le montage n'est pas effectué correctement, l'amortisseur ne fonctionne pas normalement.</p> <p>En cas de dépose, respecter les normes en vigueur concernant l'élimination des huiles usées.</p> <p>Dans certains cas, nos amortisseurs ne sont pas originaux mais sont parfaitement interchangeables avec ceux-ci. Par conséquent, les noms et les références des fabricants cités dans ce catalogue sont purement indicatifs.</p>

Убедиться в том, что размеры (D₁xL₁ - D₂xL₂) и тип креплений совпадают с такими же элементами заменяемого амортизатора.</p> <p>Запрещается заменять амортизатор, предполагая, что «все должно обойтись», особенно это относится к технике, оснащенной пневматической подвеской. В случае сомнения следует обратиться в наш офис по продажам для получения быстрого и наилучшего решения. Амортизаторы, горизонтально установленные на управляемых осях, имеют обязательную позицию, указанную надписью «ALTO» на самой детали. Поэтому при монтаже следить за тем, чтобы надпись «ALTO» была развернута в сторону шасси автомобиля.</p>  <p>Если по ошибке производится неправильный монтаж, амортизатор не будет исправно отрабатывать свою функцию. При отправке в утиль придерживаться действующих норм по переработке отработанных масел. В некоторых случаях наши амортизаторы не являются оригинальными, но полностью взаимозаменяемы с ними. Tutte le ordinazioni da parte del Cliente sono subordinate alle presenti condizioni generali di vendita. Qualsiasi altra condizione inserita dal Cliente nell'ordine, verrà considerata di nessun valore, senza obbligo di avviso da parte nostra.

Per evitare errate interpretazioni degli ordini **si prega di usare sempre**, oltre alla descrizione del materiale desiderato, **il numero di codice del particolare**. Nei casi di discordanza tra il numero di codice e la parte descrittiva sarà ritenuto valido il numero di codice.

Gli ordini proposti potranno essere, insindacabilmente, non accettati e non potranno essere inferiori a 600,00 IVA esclusa. L'accettazione degli ordini stessi si intende sempre **"salvo venduto"** anche se ciò sia esplicitamente espresso.

I termini di consegna eventualmente concordati hanno valore indicativo e non comportano una tassativa responsabilità e garanzia da parte nostra.

La merce viaggia a rischio e pericolo del Cliente, anche se resa franco destino. Il materiale inviato in ogni spedizione è sempre accompagnato da un "DOCUMENTO DI TRASPORTO" (DdT). **Poiché la firma da parte del vettore (all'atto dello svincolo) è liberatoria nei confronti del vettore stesso, si ricorda che eventuali discordanze o ammanchi devono essere fatti constatare al corriere al momento della consegna e denunciato con lettera al Corriere stesso e per conoscenza alla nostra Ditta.**

Non saranno accettate altre forme di pagamento se non quelle pattuite. In caso di inosservanza della sopraddetta condizione nonché del mancato pagamento, ci riserviamo il diritto di sospendere ed annullare le rimanenti consegne. L'acquirente sarà tenuto al risarcimento dei danni, al pagamento degli interessi vigenti e non potrà avanzare pretese di compensi od indennizzi per l'interruzione della fornitura. La merce rimarrà comunque di nostra proprietà fino al completo pagamento della stessa.

Eventuali reclami, di qualunque natura possano essere, devono pervenirci per iscritto entro 20 giorni data spedizione. Per eventuali difetti occulti tale termine è esteso a 90 giorni naturali consecutivi.

Se riconosciuti fondati, la nostra responsabilità si limita alla sostituzione del materiale contestato, pertanto non verranno riconosciuti addebiti per eventuali danni a cose, anche d'altri, o a persone.

La garanzia dei prodotti per vizi e difetti di qualsiasi natura ed entità ha la durata di 24 mesi dalla data di produzione.

Non si ricevono merci di ritorno senza nostra autorizzazione. I resi devono essere effettuati in porto franco. Se autorizzati in porto assegnato devono viaggiare solo con corrieri da noi indicati. I particolari inviati come campioni dovranno eventualmente essere ritornati dal Cliente in **Porto Franco**. In caso contrario sarà addebitata la spesa di trasporto che abbiamo dovuto sostenere per il ritiro della merce.

Per eventuali contestazioni, qualunque siano le condizioni di pagamento e di consegna, l'Autorità Giudiziaria competente è quella di Bologna.

In caso di variazione di prezzo rispetto a quello indicato nel listino (per variazioni in più od in meno) il prezzo segnato in fattura sarà quello in vigore alla data della bolla di spedizione della merce qualunque sia la data di conferimento dell'ordine e della conferma dello stesso.

Non accettiamo nessuna responsabilità per eventuali errori o omissioni su questo catalogo. Ci riserviamo il diritto di apportare su questo catalogo qualsiasi modifica senza preavviso. E' vietata la riproduzione integrale e parziale del presente catalogo, senza autorizzazione scritta rilasciata dalla Roberto Nuti S.p.a.

All orders received from the Customer are subject to these general terms of sale. Any other condition that the Customer enters on the order shall be considered null and void, and we shall not be required to make notification.

In order to avoid erroneous interpretations of the orders, you are requested to always use not only the description of the desired material, but also the item code number. In the event there is disagreement between the code number and the description, the code number shall be regarded as valid.

Acceptance of the proposed orders can be unquestionably refused, and the total amount of the orders can be no lower than € 600,00, VAT excluded. Acceptance of the orders is always understood as "subject to being unsold", even if this is explicit.

In case the delivery terms are agreed upon, they are purely indicative and do not entail our express liability and guarantee.

The goods travel at the Customer's risk and peril, even if they are delivered carriage paid. A "DELIVERY NOTE" always accompanies the material sent in each shipment. Since the carrier's signature affixed at the time of consignment releases the carrier, remember that any disagreements or shortages must be reported to the forwarding agent at the time of delivery and notified to the forwarding agent by letter, with a copy sent to our company.

Any forms of payment other than those agreed on shall not be accepted. In the event you fail to comply with this condition or do not make payment, we reserve the right to interrupt and cancel the remaining consignments. The buyer shall be bound to pay for damages and the current interest, and will be unable to put forward claims for compensation or damages because the supply has been interrupted. The goods shall in any case remain our property until full payment has been received.

Any claims of any type whatsoever must reach us in writing within 20 days of the date of shipment. This deadline is extended to 90 consecutive days if there are any hidden defects. If said defects are acknowledged as valid, our liability is restricted to replacement of the disputed material, therefore, no possible damage to things, even of others, or to persons will be indemnified.

The warranty of the products for defects and faults of whatsoever nature and value, lasts for 24 months from production date.

Goods cannot be returned without our authorisation. Returns must be shipped carriage free. If authorisation is given to be shipped carriage forward, they must travel only with forwarding agents we indicate. In the case the Customer must return the items sent as samples, he must ship them carriage free; otherwise, the transport charges we bear for collecting the goods shall be charged to the Customer's account.

The competent judicial authority for any disputes, whatever the payment and delivery terms may be, is the Court of Bologna, Italy.

In the event the price is different than the one shown on the price list (whether it is higher or lower), the price given on the invoice shall be the one in effect as of the date of the delivery note of the goods, regardless of the dates of the order and order confirmation.

We do not accept any liability for possible errors or omissions in this catalogue. We reserve the right to make any changes to this catalogue without prior notification. Total or partial reproduction of this catalogue without written authorisation given by Roberto Nuti S.p.A. is prohibited.
