## FOR A LONGER SERVICE LIFE

Rust is the biggest problem in disc brake calipers service life.

Especially the water and salt on road surface cause rust.

As a result of continuously research and development program of BERGKRAFT air brake & clutch systems, we develop new guide pins that last longer than any competitor.

**Other Guide Pins**

Pin after 2 hours (+/- 3 months on a truck)

**BERGKRAFT Guide Pins**

Pin after 6 hours (+/- 9 months on a truck)

Pin after 12 hours (+/- 18 months on a truck)
