BOMBAS DE AGUA • WATER PUMPS

tecnología

Con más de 70 años de **liderazgo** en la investigación, desarrollo y fabricación de bombas de agua, Industrias Dolz ha creado una nueva generación de productos con los que consigue situarse en la vanguardia internacional del mercado. La **calidad** certificada de todas las referencias, partiendo de diseños y componentes **originales** y fruto de una constante y exigente labor de I+D, nos permite ofrecer la **gama** de bombas de agua más amplia del mercado. Por este motivo, las bombas DOLZ están plenamente adaptadas a todas las exigencias de la industria de la automoción y continúan nuestra filosofía, cuyo objetivo parte del firme compromiso que avala toda nuestra trayectoria: **satisfacer las necesidades de nuestros clientes.**

In its more than 70 years at the head of research, development and manufacturing of water pumps, Dolz has created a new generation of products which have placed it in prime position in the market. The certified quality of all our models, from original designs and components to the highest and most exacting R&D, have enabled us to supply the fullest range of pumps. Dolz pumps are fully adapted to the demands of the motor industry and continue our basic philosophy which is: to satisfy the needs of our customers.
